1-60 days 61-90 days 91-120 days over 120 days - - - 7.5M

#### MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

There has been no significant development on the status of negotiations with the creditors of the first and second Mortgage Trust Indenture. The Company has no formal communication with the creditors through the trustee.

The Company can satisfy its cash requirement for the next 12 months. The Company will not raise additional funds in the next 12 months.

The Company has no product research and developments for the term of the plan.

The Company cannot yet determine if its plant and significant equipment will be sold within the next 12 months. The Company will not purchase any plant or equipment within the next 12 months.

The Company does not expect any significant changes in the number of employees.

The Company's losses were due to non-commercial operations. The Company has no plan yet to resume commercial operations. In view of the non-commercial operation of the Company, there are no material key variable and other qualitative and quantitative factors nor performance indicators nor any major risks to consider.

There can be no comparable discussions to assess material changes during the interim period because of the non-commercial operation of the Company.

There are no events that will trigger direct or contingent financial obligation that is material to the Company. There are no material off-balance sheet transactions, arrangements, obligations (including contingent obligations) nor any other relationships with unconsolidated entities or other persons. There are no material commitments for capital expenditures.

There are no seasonal aspects that have material effect to the financial statements.
