The main concern of the Company up to now is how to settle the debt issue.

On December 10, 2009, the BOD of the Company approved to offer the property in Sta. Rosa, Laguna as dacion in payment of the entire obligation to Chinatrust, and in case of the latter's acceptance, to offer to manage the property in trust, in consideration of management fees and trustee fees, until such time as maybe agreed by the parties.

On November 2, 2010, Chinatrust accepted the proposal of the Company to fully settle its outstandingloan obligation amounting to P1.2 billion through the Sta. Rosa property as dacion in payment. Chinatrust agreed that the group shall not be liable for any deficiency between the amount of theoutstanding loan obligation and the value of the Sta. Rosa property. The "Dacion En Pago" did not materialize and the ownership of the loan was transferred to Chuan YuanLimited, a Company incorporated in Taiwan. Chuang Yuan Limited became the creditor of the first and

second MTI. Chuang Yuan Limited later sold the loan to Malaysia Garment Manufacturers (Pte) Ltd. (Malaysia Garments), a Company incorporated in Singapore, a related party.

On October 24, 2016, the PSE has issued a letter to the Company on the subject: Negative Stockholders'Equity and SEC Order of Revocation requesting for update on the following items:

- Settlement of outstanding loan obligations amounting to P1.2 billion through the Sta. Rosaproperty as dacion;

- Discussions/negotiations regarding the sale of the property located in Gen,Malvar Alvarez,Cavite City; and
- SEC Order of Revocation dated August 26, 2002.

On December 12, 2016, the Group responded to the PSE that discussions are ongoing on the first three items above with the appropriate parties. Management believes that the development of the land in Sta. Rosa Laguna will increase its value and bring the Group's equity from negative to positive.

In September 2017, the Board of Directors (BOD) and stockholders of the Parent Company approved a business plan, which consists of the following phases:

- Financial restructuring subject to Philippine SEC approval;
- Development of the Sta. Rosa property; and
- A new business activity of recycling Polyethylene Terephthalate (PET) to be registered with the Philippine Economic Zone Authority

The BOD approved the use of the Additional Paid In Capital resulting from: (a) the existing Additional Paid in Capital; (b) the decrease of capital through the reduction of par value; and (c) the conversion of the existing liability to Malaysian Garments to wipe out all the accumulated deficit of the Parent Company.

On November 11, 2021, management filed the final restructuring project to SEC. Prior to submission of the project, management has already agreed the conversion of debt with its creditors and legal counsel. Management is securing all the necessary documents such as Deed of assignment to creditor and Director's certificate to support the final restructuring by SEC.

On May 30, 2022, a deed of assignment on the loan was entered between Malaysia Garment and the Parent Company in which the former unconditionally and irrevocably assigns, cedes, transfers and conveys unto the Parent Company all of its title, right and interests to receive the payment for the debt as payment for the subscription price, thereby converting the debt into equity. The debt-to-equity conversion is yet to be executed as at April 28, 2023.

In addition, the related parties, Malaysia Garments and Trans-Pacific Oriental Holding Company, Inc. (Trans-Pacific), have undertaken to support the Parent Company financially by not demanding payment of loans due to the former. Further, the Group will address its working capital requirements from the cash flows generated from its operations. Accordingly, the financial statements have been prepared on a going concern basis.

On March 29, 2023, management completed all the aforementioned documents required by the SEC. On April 4, 2023, the Parent Company was notified by the SEC that it is ready to issue its assessment on the planned restructuring project upon issuance of the SEC-Markets and Securities Regulation Department (MSRD) clearance, subject to the submission of remaining requested document. Thereafter, a Payment Request Form will then be issued to the Parent Company, which will signify acceptance of the SEC on the application to proceed with filing.

Notice of Involuntary Delisting

On February 3, 2023, the Parent Company received a Notice of Involuntary Delisting from the Philippine Stock Exchange (PSE).

On April 3, 2023, representatives of the Parent Company participated in a hearing conducted by the Exchange relating to the involuntary delisting proceedings involving the Parent Company. The Parent Company then requested the Exchange that the involuntary delisting proceedings be suspended; and it be allowed to complete the requirements for its amended registration statement and application for the financial restructuring plan with the Securities and Exchange Commission until the end of 2023.

The grounds for the initiation of involuntary delisting proceedings involving Parent Company are due to the (a) revocation of its registration of securities and permit to sell securities; and (b) negative stockholders' equity.

In the said hearing, the Parent Company raised the following arguments:

a. There was no obstinate refusal on the part of the Parent Company to comply with the directives of the Exchange and the Securities and Exchange Commission ("SEC").

b. The Parent Company, in utmost good faith, exerted serious efforts to comply with the SEC directives. All the corporate actions of Parent Company on the matter were timely and promptly disclosed to the Exchange.

c. The SEC-Markets and Securities Regulation Department ("MSRD") will only act on the Parent Company's amended registration statement after the approval of the Parent Company's financial restructuring plan being reviewed by the SEC- Financial Analysis and Audit Division ("FAAD").

d. The Parent Company will file its amended registration statement after it secures the SEC's approval of its financial restructuring plan. Thereafter, the Parent Company will request SEC-MSRD to issue the corresponding Order Lifting the Order of Revocation dated August 26, 2002 against the Parent Company.

e. The conversion of the Parent Company's obligation to one of the Corporation's major creditors, Malaysia Garment Manufacturers Pte. Ltd, amounting to One Billion Three Hundred Eighty-Nine Million Nine Hundred Sixty-One Thousand Eight Hundred Twenty-Eight Pesos (P1,389,961,828.00) into equity has effectively wiped-out the deficit amounting to Six Hundred Eighty-Nine Million Thirty-One Thousand One Hundred Forty-Six Pesos (P689,031,146.00). The debt-to-equity conversion is part of the financial restructuring plan being carried out by the Parent Company. The deficit would have been wiped-out had the

SEC-FAAD approved the Parent Company's financial restructuring plan.

f. The involuntary delisting will be prejudicial to the Parent Company's stockholders who have been expecting that the trading suspension will be lifted soon and the financial restructuring plan approved in light of the actions being actively undertaken by the Parent Company.

g. In 2019, parallel to its efforts to solve its capital deficiency, the Parent Company incorporated FYN Green PET Corporation ("FYGP"), a 100% wholly owned subsidiary, to provide cash flow and steady stream of revenues. FYGP will commence its commercial operations in May 2023.

The Parent Company therefore requested the Exchange that the involuntary delisting proceedings be suspended; and it be allowed to complete the requirements for its amended registration statement and application for the financial restructuring plan with the Securities and Exchange Commission until

the end of 2023.
