## MANAGEMENT DISCUSSION & ANALYSIS OF OPERATION

Filsyn Corporation continued to generate income mainly from warehouse rentals and sale of equipment which was sufficient to cover all expenses, hence, there was no need for any outside financing to sustain its operations.

The Company's losses for the last three (3) years were due to non-commercial operations. The Company has no plan yet to resume commercial operations. In view of the non-commercial operation of the Company for the last three (3) years, there were no material key variable and other qualitative and quantitative factors nor performance indicators nor any major risks to consider.

There can be no comparable discussions to assess material changes during the last three (3) years because of the non-commercial operation of the Company.

There were no events during the last three (3) years that will trigger direct or contingent financial obligation that was material to the Company. There were for the last three (3) years no material, off-balance sheet, transactions, arrangements, obligations (including contingent obligations) nor any other relationships with unconsolidated entities or other persons. There were no material commitments for capital expenditures.

The Company can satisfy its cash requirement for the next 12 months. The Company will not raise additional funds in the next 12 months.

The Company has no product research and developments for the term of the plan.

The Company will not purchase any plant or equipment within the next 12 months.

The Company does not expect any significant changes in the number of employees.

There are no seasonal aspects that have material effect to the financial statements.

The main concern of the Company up to now is how to settle the debt issue.

On December 10, 2009, the BOD of the Company approved to offer the property in Sta. Rosa, Laguna as dacion in payment of the entire obligation to Chinatrust, and in case of the latter's acceptance, to offer to manage the property in trust, in consideration of management fees and trustee fees, until such time as may be agreed by the parties.

On November 2, 2010, Chinatrust accepted the proposal of the Company to fully settle its outstanding loan obligation amounting to P1.2 billion through the Sta. Rosa property as dacion in payment. Chinatrust agreed that the group shall not be liable for any deficiency between the amount of the outstanding loan obligation and the value of the Sta. Rosa property.

The "Dacion En Pago" did not materialize and the ownership of the loan was transferred to Chuan Yuan Limited, a Company incorporated in Taiwan. Chuang Yuan Limited became the creditor of the first and

second MTI. Chuang Yuan Limited later sold the loan to Malaysia Garment Manufacturers (Pte) Ltd. (Malaysia Garments), a Company incorporated in Singapore, a related party.

On October 24, 2016, the PSE has issued a letter to the Company on the subject: Negative Stockholders' Equity and SEC Order of Revocation requesting for update on the following items:

- Settlement of outstanding loan obligations amounting to P1.2 billion through the Sta. Rosa property as dacion;
- Discussions/negotiations with real estate companies for potential joint venture arrangement over the property to develop the 30 hectares (ha.) property located at Sta. Rosa, Laguna;
- Discussions/negotiations regarding the sale of the property located in Gen, Malvar Alvarez, Cavite City; and
- SEC Order of Revocation dated August 26, 2002.

On December 12, 2016 the Company responded to the PSE that discussions are ongoing on the first three (3) items above with the appropriate parties. Should the ongoing discussions on the abovementioned items be not fruitful, the Group will invite an investor to join them in developing the Sta. Rosa Property. Management believes that the development of the land will increase its value and bring the Group's equity from negative to positive.

At the special meeting of the board of directors and in the annual stockholders' meeting of Filsyn Corporation both held on September 21, 2017, at least a majority of the directors and stockholders of the Corporation approved a Business Plan to address the corporation's existing capital deficiency.

The Business Plan consists of three (3) phases including:

1. Financial restructuring subject to SEC approval;
2. Development of a property located at Sta. Rosa, Laguna; and
3. A new business activity for recycled Polyethylene Terephthalate (PET) to be registered with the Philippine Economic Zone Authority (PEZA)

In 2002, the SEC has issued Order of Revocation of the Company's Registration of Securities and Permit to Sell Securities to the public. On February 2005, the SEC acknowledged the Parent Company's full payment of the penalties for the reportorial violations.

On February 18, 2018, the Commission en Banc has resolved to lift the Order of Revocation. The lifting of the Order of Revocation directed the Company to amend its Registration Statement to reflect any prior changes prior to restatement of its registration statement and permit to sell securities.

At the special meeting of the Board of Directors and in the Annual Stockholders' meeting of Filsyn Corporation both held on September 20, 2018 at least majority of the directors and stockholders of the Corporation decided the following:

1. Approved the Amended Registration Statement and designated the officers authorized to sign the Amended Registration Statement, namely: Mr. Jaime M. Sto. Domingo, President, Mr. David Wang, Executive Vice President & Chief Finance Officer, Mr. Emmanuel C. Paras, Corporate Secretary and Mr. Apolinario L. Posio, Senior Vice-President-Accounting and Auditor and Compliance Officer;
2. Authorized the filing of the Amended Registration Statement of the Company with the Securities and Exchange Commission ("SEC")

    - Exercise of Voting Right – The Preferred Shareholders shall not have a right to vote, except on matters specified in Section 6 of the Corporate Code of the Philippines and those relative to the development of the Sta. Rosa Property; and

5. Authorized the filing of the Amended Articles of Incorporation of the Company and other documentary requirements with the SEC; and
6. Approved the incorporation of a wholly-owned subsidiary of the Company for its PET Recycling plant project in a Philippine Economic Zone Authority (“PEZA”) location.

The Company received from SEC, Certificate of Incorporation of FYN Green PET Corporation, a wholly-owned subsidiary dated June 6, 2019. This is for the Company’s PET Recycling Plant Project.

In preparation for FYGP’s registration with the PEZA, on February 21, 2020, a Memorandum of Understanding and a Contract to Sell between J.Y. and Sons Realty Co., Inc. and FYGP were executed regarding sale of a parcel of land with building and improvements, located at First Cavite Industrial Estate (FCIE), Dasmariñas City, Cavite. Which is a PEZA registered location. Finally, on November 25,2020, the sale was finalized and the property was physically turned over on February 1, 2021.

Furthermore, at the Board Meeting of PEZA, held on May 21, 2020, the Board approved the application for registration of FYGP as an Export Ecozone Enterprise.

The Company hopes that the SEC will approve the other documentary requirements soon, so that it can finally pursue its Business Plan of turning the company into a healthy and profitable venture once again.
